Brickmould w/ Sloped Sill

Perfect window replacement solutions

Traditional looking
Brickmould with removable
finish strip for ease of
installation – available in
2" and 1 1/2" widths
(also available as
brickmould all four sides)

Full 3 1/4" continuous
frame – air and
watertight frame with
applied jamb extension
to fit your size

Extended sloped sill for
proper watershed and
similar appearance to
traditional wood
windows
